

Naloxone Nafo ayay Badbaadisaa

Waxyabaha Loo baahan yahay in Qoysasku ka Ogaadaan Dugsiyada Naloxone

Dugsyo badan oo Washington ku yaala ayaa hadda haysta agabka naloxone. [Sharciga Washington](#) (oo ku qoran Ingiriisi) wuxuu dugsiyada degmooyinka ee haysta arday 2,000 ama ka badan ah ku waajibinayaay inay haystaan ugu yaraan hal kuuro oo daawada opioid ah (naloxone, sidoo kale loo yaqaano magaceeda shirkadda Narcan®) mid kasta oo dugsiyadooda sare kamid ah. Dugsiyada yaryar ee degmada waxay sidoo kale dooran karaan inay dugsiyada keensadaan naloxone.

Naloxone waa daawo aan waxyello lahayn oo waxtar leh taasoo si kumeelgaar ah meesha uga saaraysa saamaynta timaadda marka opioid ka la iska badiyo, oo kamid tahay marka la iska badiyo fentanyl. Ayada oo dhacdooyinka in qofku daawada iska badiyo ay dhif iyo naadir ka tahay dugsiyada dhhexdoosa, haddana dugsiyadu waa iany u diyaar garoobaan garashada iyo ka jawaabista daawo iska badinta si lamid ah sida ay ugu diyaar garoobaan xaaladaha caafimaad ee kale ee degdega ah.

Ka horfag Daawo iska badinta Da' Kastaba

Majirto da' u cayiman qaadashada naloxone. Naloxone waa daawo aad ammaan u ah taasoo la siin karo qof walba, ayada oo aan loo eegayn da'da, marka loo shakiyo inuu iska badiyay opioid. The [Centers for Disease Control and Prevention \(Xarumaha Xakmaynta iyo Kahorttagga Cudurada\)](#) (luuqado dheeraad ah ayaa la heli karaa) iyo [Food and Drug Administration \(Maamulka Cuntada iyo Daawada\)](#) (oo ku qoran Ingiriisi) malahan da' ku xiran qofka qaadanaya naloxone.

Naloxone malahan waxtar haddii opioid aysan jirka kujirin. Laga soo xigtay American Academy of Pediatrics' [websaytka macluumaadka waalidka HealthyChildren.org](#) (oo ku qoran Ingiriisi iyo Spanish) gobolada, "majirto dhibaato ka imaanaysa in caruurta ama da' yarta la siiyo, xaataa haddii aadan hubin inay iska badiyeen opioid iyo in kale."

Majirto da' u cayiman qaadashada naloxone. Dadka da' yarta ah waxay siin karaan ayna isticmaali karaan naloxone qofka ay u malaynayaan inuu daawo iska badiyay. Bulshooyin badan oo Maraykanka adagan waxay ardayda ku tababareen laga soo bilaabo xiliga da'da dugsiga hoose ilaa dugsiga sare sida loo garto calaamadaha qofka daawada iska badiya iyo sida loogu daaweyyo naloxone.

Majirto da' yar oo loo cayimay [Washington State Statewide Standing Order for Naloxone \(Xeerka dhagangalka Naloxone ee Gobolka Washington\)](#) (oo ku qoran Ingiriisi). Tilmaamaha muuqaalka iyo qoraalka ah ee garashada iyo ka jawaabista marka qofku iska badiyo opioid, oo ay kamid tahay sida loo isticmaalo naloxone, waxaa laga heli karaa websaytka [Washington State Department of Health's \(Waaxda Caafimaadka ee Gobolka Washington\)](#) (oo ku qoran Ingiriisi).

Washington's Good Samaritan Law (Sharciga Samafalka Washington) wuxuu difaacaan qofka soo waca 911 si uu usoo sheego xaalad daawo iska badin ah, iyo sidoo kale qofka daawada iska badiyay, iyo dacwadaha haysashada. Si kastaba ha ahaatee, midkoodna kama difaacayo waaranka horey loogu soo jaray, ku xadgudubka dacwadaha ama xabsi kasii daynta, soosaaraha daawada ama bixiyaha, fal danbiyedka dilka ah ee maandooriyaha ka dhasha, ama danbiyada aan ahayn haysashada maandooriyaha.
