Total Participating Women, Infants and Children Served – The number of clients participating in WIC during FFY2022.  
A client is counted only once per Clinic in the county where they received services, even if they were in multiple categories during FFY2022.  
Due to factors such as client relocation during FFY2022, approximately 4.6% clients are likely counted as participating in more than one agency.

(Women = Pregnant, Breastfeeding and Post-Partum)

Percentage of Infants Born in Washington and on WIC - It is based on birth county not clinic county.
