

# WA Verify COVID-19 SMART Health Card

## What is WA Verify?

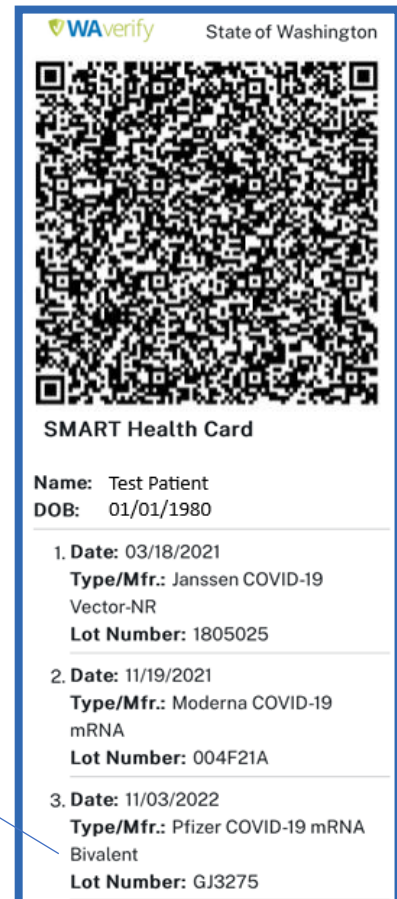

WA Verify is a free digital COVID-19 vaccine record verification system. WA Verify provides you with a SMART Health Card that contains details of your COVID-19 vaccine records.

## How do I generate a SMART Health Card using WA Verify?

1. Go to [waverify.doh.wa.gov](https://waverify.doh.wa.gov).
2. Fill out the required fields: first name, last name, and date of birth.
3. Enter the mobile number *or* email address that was given to your COVID-19 vaccine provider. WA Verify uses this information to locate your vaccine record in the Washington State Immunization Information System (WA IIS).
4. Create a 4-digit PIN # to access your digital vaccine record. Click Submit.
5. If WA Verify locates your vaccine record in the WA IIS, you will receive a link via text message or email to access your COVID-19 SMART Health Card.
6. Once you receive your SMART Health Card, download it, and save it to your device.
7. For help with your WA Verify request, go to [waverify.doh.wa.gov/faq](https://waverify.doh.wa.gov/faq).

## What will I see on my SMART Health Card?

- First and last name
- Date of birth
- COVID-19 vaccination date
- COVID-19 vaccine Lot Number
- COVID-19 vaccine Type/Manufacturer
  - The word **Bivalent** appears after the vaccine Type/Mfr. to indicate that you received an mRNA *bivalent* dose.

3. Date: 11/03/2022  
**Type/Mfr.: Pfizer COVID-19 mRNA Bivalent**  
Lot Number: GJ3275
