

## Medical Cannabis Consultant Certification

A certified consultant plays a vital role in the medical cannabis industry. Although they can assist any customer within a medically-endorsed retail store, they are a very important connection for qualifying patients who want to register in the authorization database. To become a certified consultant you must be at least 21 years old and have completed the following:

### Step 1: Complete required training

- ⇒ Choose and complete a department-approved 20-hour training program
- ⇒ Complete a cardiopulmonary resuscitation (CPR) training course that includes both a written examination and skills demonstration.

### Step 2: Complete the application

- ⇒ Download the Medical Cannabis Certification Application Packet from our website
- ⇒ Review instructions on page 3
- ⇒ Complete, sign and date the application

For a list of approved training programs and applications, visit [www.doh.wa.gov/medicalcannabis](http://www.doh.wa.gov/medicalcannabis), choose “Consultant.”

### Step 3: Submit application, required documentation and fees

Mail your completed application with required documentation and a check or money order payable to:

Department of Health  
P.O. Box 1099  
Olympia, WA 98507-1099
